BSc IN APPLIED ACCOUNTING (OXFORD BROOKES UNIVERSITY) - Mentoring Programme

For current LSBF students - £250

For external students - £350

Terms and Conditions of the LSBF Pass First Time Guarantee™*:

To qualify for the Pass First Time Guarantee™ entitling qualifying students for a free re-sit course:

- For students who book tuition and revision courses (and students on qualifying full-time courses): the student must attend at least 90% of the tuition and revision classes and pass the mock exam conducted by LSBF.
- All the course fees must be paid in full before the examinations are taken.
- You must attempt the real exam.
- In the event of failure you must provide proof of that failure on application for the re-sit course.
- The qualifying re-sit classes (tuition, revision and/or QB) must be attended at the next examination sitting. After that point the Pass First Time Guarantee™ will lapse. The Guarantee is not transferable.
- Claims under the Guarantee must be received by LSBF a maximum of one month after exam results have been released.

*Please refer to www.lsbf.org.uk/terms-and-conditions for the most up-to-date terms and conditions.

Terms and Conditions*:

Students' attention is particularly drawn to this section, as registration on the course constitutes full and irrevocable acceptance of the terms and conditions.

- Students on a Student Visa must book and attend a minimum of three academic subjects, each term, to meet the requirements of their VISA. Students must familiarise themselves with UKBA regulations and at all times abide by the conditions of their visa. Students must inform the School immediately of any change in their immigration status.
- To book a place on a course, either the full fee or a minimum deposit of 50% of the total course cost is required.
- All deposits received are for the sole purpose of reserving a course place and are non-refundable and non-transferable, save as provided otherwise in these Terms and Conditions.
- In case you require a CAS, as per UKBA regulations you must provide the following information with your application, as evidence thereof should be included in your CAS: copies of all previous relevant education – A levels, GCSEs (or equivalents), degree (certificate/diploma and transcripts) and an English translation of all documents not in English. Please note that a failure to provide such documents with your application will delay your visa letter.
- If a student's VISA application has been refused, then the fees paid will be refunded less an administration charge of £100 (plus any courier and transfer charges) on production of the following documents: (1) Copy of the VISA refusal letter (APP200) (2) Copy of the student's passport showing both a photograph and signature; and (3) where the payee was not the student, an original authority letter from the student authorising the repayment to the payee. Applications for refunds under this section must be made in writing at least 15 days before the commencement date of the course (published date). It is the student's responsibility to satisfy themselves that they could comply with the notification guidelines prior to making an application. In circumstances when notification under this clause will be impossible, an application by the student forms a waiver of the rights under this clause.
- If a visa application is refused on the grounds that the student failed to provide necessary documents, demonstrate adequate financial support or other reasons for which the student is accountable, the School accepts no responsibility to refund under section 5. The student is held responsible if the visa application has been made late and their LSBF enrolment has already processed.
- A charge of £50 will be made to students for all dishonoured payments. The School reserves the right to report offenders to the ACCA and UKBA.
- No refunds or course transfers are permissible other than in the instance of VISA refusal once letters have been issued confirming full time status, and only when a student complies with the refund application procedures as detailed above.
- The School reserves the right to dismiss any student at any time for non-payment of fees. No fees will be refunded for any student dismissed under this section.
- The School is required to inform the appropriate authorities, including the UKBA, where a student has been removed from School under section 7 above.
- Fees are published separately for each semester and are payable by all students studying at the time unless they have paid full fees prior to the publication of the new fees. Paying a deposit does not prevent any fee increase being applied. Promotions and offers may have restricted eligibility requirements and may change from time to time.
- All fees exclude amounts payable to the professional body for student registration, exemptions and examination entries.
- Availability of the online resources cannot be guaranteed due to reasons beyond the School's control, including technical faults and limitations.
- Eligibility to benefit from a sponsored masters' course is strictly restricted to students who pay their full fees at least 15 days prior to the published start date of the programme. Sponsorship of the masters' course fees covers the tuition fees only, but does not include incidentals like textbooks and exam entry/assessment fees (£118 per module), dissertation mentoring fees (£250), dissertation submission fees (£150) and final academic board presentation fees (£150), and fees for exemptions and deferrals. Students are responsible for payment of such fees which are mandatory for enrolment and progression on the masters' course.

*Please refer to www.lsbf.org.uk/terms-and-conditions for the most up-to-date terms and conditions.
